

**PRODUCT NAME:**

STANDARD GREEN WELDERS GAUNTLET

**PRODUCT CODE/S:**

CL7029

**KEY FEATURES:**

- 100% SPLIT COW LEATHER - MADE FROM CAREFULLY SELECTED HIGH-QUALITY COW LEATHER WITH THICKNESS DEPTH OF 1.0MM-1.2MM WHICH IS NOT ONLY THICK BUT ALSO SOFT AND FLEXIBLE WITH MODERATE OIL RESISTANCE, PUNCTURE RESISTANCE AND CUT RESISTANCE. SO IT CAN EFFECTIVELY IMPROVE YOUR WORK EFFICIENCY.
- MADE OF EXTREMELY THICK COWHIDE LEATHER, THAT MAKE THESE GLOVES TO WITHSTAND TEMPERATURES UP TO 662 °F, EXCELLENT PERFORMANCE IN HEAVY DUTY WELDING, GRIPPING HOT STUFF SUCH AS OVEN & COOKWARE & BURNING COAL OR WOOD.
- THE GLOVES USES KEVLAR THREAD, THAT MEANS IT MORE RESISTANT TO HIGH TEMPERATURES THAN OTHER HEAT RESISTANT GLOVES AND NOT EASY TO BREAK, VERY SUITABLE FOR HIGH-TEMPERATURE WORK. REINFORCED PALM TO CUSHION HANDS WHEN WORKING WITH HEAVY WEIGHT OR SHARP OBJECTS.
- 100% SOFT SWEAT ABSORBENT COTTON LINING AND DENIM JEAN CUFFS, ALSO WITH FIRE PROOF THERMAL PROTECTION AND INSULATION PROPERTIES, GOOD FOR ANIMAL HANDLING OR BBQ.

**DETAILS:**

Technical Specifications	
Feature	Description
Material (Exterior):	Premium split cowhide leather
Material (Lining):	Soft cotton for comfort
Heat Resistance:	Up to 500°F (260°C)
Color:	Green
Length:	14 inches (35 cm)
Size:	One size fits most
Cuff Type:	Extended gauntlet for forearm protection
Thumb Design:	Wing thumb for extra flexibility and comfort
Stitching Material:	High-strength, heat-resistant Kevlar stitching
Compliance:	EN 388 (Mechanical Risks)

**STANDARDS**
