

PRODUCT NAME:

FLEXIBLE BUILDER TUB BLACK

PRODUCT CODE/S:

RB05 FLEXIBLE 26 LTR BUILDER TUB BLACK
 RB06 FLEXIBLE 42 LTR BUILDER TUB BLACK

DESCRIPTION:

DURABLE AND VERSATILE HEAVY-DUTY FLEXIBLE TUBS MADE FROM TOUGH POLYETHYLENE. AVAILABLE IN 26 AND 42 LITRE CAPACITIES, THESE BUILDER'S TUBS ARE DESIGNED FOR DEMANDING CONSTRUCTION, LANDSCAPING, AND GENERAL SITE USE. THEIR FLEXIBLE SIDES AND REINFORCED HANDLES ALLOW EASY CARRYING AND POURING OF MATERIALS.

DETAILS:

FEATURES AND BENEFITS:

- Tough and flexible:** Made from strong polyethylene that can flex without cracking under stress.
- UV resistant:** Suitable for outdoor use in varied weather conditions.
- Integrated carry handles:** Ergonomic design for easy lifting and transportation.
- Multi-purpose use:** Suitable for carrying rubble, cement, tools, garden waste, water, or even mixing plaster and concrete.
- Stackable and lightweight:** Space-saving design when not in use and easy to move around the site.
- Crack- and frost-resistant:** Withstands rough handling and low temperatures.

Applications

- Construction and building sites for carrying or mixing materials
- Gardening and landscaping for collecting waste, weeds, soil, or compost
- General site use for storing tools, water, or other materials
- Domestic or agricultural settings where tough storage or mixing tubs are needed
