

**PRODUCT NAME:**

HESSIAN FABRIC ROLL - 54" X 50 YARDS

**PRODUCT CODE/S:**

HES50

**KEY FEATURES:**

The HES50 Hessian Fabric Roll (54" x 50 yards) is a strong and versatile natural jute fabric, commonly used for upholstery, crafts, gardening, and construction needs. Its coarse, breathable weave makes it ideal for protecting plants, covering soil, erosion control, and a wide variety of creative projects. The eco-friendly and biodegradable nature of hessian (burlap) ensures a sustainable choice without compromising on durability. Suitable for both indoor and outdoor use, this roll offers excellent value with 50 yards of high-quality fabric at a generous 54-inch width, making it easy to cut and customize for different applications.
