COTTON TWINE are food safe, unbleached, natural, 100% cotton, 18 ply twine. One of the most versatile kitchen tools with hundreds of uses!

DETAILS:

220-feet of food safe, unbleached, natural, 100% cotton, 18 ply twine.

One of the most versatile kitchen tools with hundreds of uses!

Truss or tie up a turkey, roast and other poultry or meats to prepare for cooking rotisserie, oven or grilling. Just keep away from open flame.

Tie up stuffed chicken breasts and meat roll ups to hold the delicious ingredients inside. Also, tie herb bouquets, parcels, presents and gift tags. Bind newspaper and magazine stacks for recycling.

Convenient center pull ball!
