

PRODUCT NAME:

Metal Bucket 10 LTR

PRODUCT CODE/S:

RB01A: Metal Bucket 10 LTR

OVERVIEW:

The RB01A Metal Bucket 10 Litre is engineered to handle demanding tasks with ease. Constructed from high-quality galvanized steel, this bucket provides superior resistance against rust, dents, and harsh environmental conditions, ensuring long-lasting performance even with frequent use.

With its generous 10-litre capacity, it is ideal for carrying water, mixing materials such as cement or paint, storing tools, or collecting debris. The bucket features a reinforced rim for added structural strength and a sturdy wire handle designed for secure grip and comfortable lifting, even when fully loaded.

DETAILS:

Key Features:

Product Code: RB01A
 Capacity: 10 Litres
 Material: Galvanized Steel
 Finish: Corrosion-resistant (zinc-coated)
 Handle Type: Reinforced wire handle
 Rim: Rolled/reinforced edge for durability
 Usage: Indoor & outdoor
 Color: Metallic silver (standard galvanized finish)
 Weight: Approx. 0.9 – 1.2 kg (may vary)
 Dimensions:
 Top Diameter: ~30–32 cm
 Height: ~28–30 cm

How to Use:

1. Carrying Liquids
 Fill the bucket with water or other liquids
 Use the handle to lift and transport safely
 Avoid overfilling to prevent spillage
2. Mixing Materials
 Add materials such as cement, sand, or paint
 Mix using appropriate tools
 Ensure bucket is placed on a stable surface
3. Storage Use
 Store tools, cleaning supplies, or garden items
 Keep in a dry area when not in use for longer lifespan
4. Cleaning & Maintenance
 Rinse with water after use
 Dry properly to maintain finish
 Avoid prolonged exposure to highly corrosive chemicals

STANDARDS
